- > Select the time period
- > Tap "Save" button

Become familiar with eLog

How to perform test traceability

Select the cycle on the sterilizer menu

2 When you are on the sterilizer's start cycle screen, take your W&H test and scan the QR code on it with the following options.

Option 1: Linking the W&H test to the cycle using the W&H Steri App

3 Tap the QR code icon

4 Scan the QR code on the W&H test with the camera

Option 2: Linking the W&H test to the cycle using the barcode scanner

5 Scan the QR code on the W&H test with the barcode scanner connected to your sterilizer

After cycle is completed:

6 Visually inspect the test result and confirm on the sterilizer that the test is passed according to IFU

Linking the W&H test picture to the cycle using the W&H Steri App:

7 Tap the QR code icon

9 Take a picture of the test

How to display eLog

Based on your settings, you will find your eLog reports arranged daily, weekly or monthly

From ioDent®:

- Access eLog from ioDent[®]
- 2 Download eLog report by clicking on the download icon
- 3 Downloaded eLog PDF document
