Product Safety Information Sheet

A safety data sheet is not required for this product. This Product Safety Information Sheet has been created on a voluntary basis.

SECTION 1. Identification

Product identifier and chemical identity

1.1. PRODUCT IDENTIFIER

Product form
Article

Trade name
Multidem C27

1.2. OTHER MEANS OF IDENTIFICATION

No additional information available.

1.3. RECOMMENDED USE OF THE CHEMICAL AND RESTRICTIONS ON USE

Recommended use
Filter cartridge.
Treatment product for water.

1.4. SUPPLIER'S DETAILS

Supplier

W&H STERILIZATION S.R.L.
24060 Brusaporto - Italy

t +39 035 66 63 000
f +39 035 50 96 988

1.5. EMERGENCY PHONE NUMBER

Country	Organisation/Company	Address	Emergency number	Comment
Australia	Poisons Information Centre		13 11 26	
New Zealand	National Poisons Centre (NPC)		0800 764 766	
England and Scotland	National Health Service (NHS)		111	
Wales	National Health Service (NHS)		0845 46 47	
Northern Ireland	Call you local General Practitioner			

For the complete country list refer to <https://www.eapcct.org/index.php?page=links>

SECTION 2.

Hazards identification

2.1. CLASSIFICATION OF THE HAZARDOUS CHEMICAL

Negative physical-chemical effects against human health and environment
No negative effects.

Product Safety Information Sheet

SECTION 3.

First aid measures

3.1. DESCRIPTION OF FIRST AID MEASURES

First-aid measures general	No specific measures are necessary.
First-aid measures after inhalation	No specific measures are necessary.
First-aid measures after skin contact	No specific measures are necessary.
First-aid measures after eye contact	No specific measures are necessary.
First-aid measures after ingestion	No specific measures are necessary.

SECTION 4.

Firefighting measures

4.1. EXTINGUISHING MEDIA

Suitable extinguishing media	Water spray. Dry powder. Foam. Carbon dioxide. Use extinguishing media appropriate for surrounding fire.
Unsuitable extinguishing media	Strong water jet.

4.2. SPECIAL HAZARDS ARISING FROM THE SUBSTANCE OR MIXTURE

Hazardous decomposition products in case of fire	Toxic fumes may be released. Carbon dioxide. Carbon monoxide.
---	---

4.3. SPECIAL PROTECTIVE EQUIPMENT AND PRECAUTIONS FOR FIRE-FIGHTERS

Protection during firefighting	Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.
Other information	Do not allow run-off from fire fighting to enter drains or water courses. Disposal must be done according to official regulations.

Product Safety Information Sheet

SECTION 5.

Accidental release measures

5.1. PERSONAL PRECAUTIONS, PROTECTIVE EQUIPMENT AND EMERGENCY PROCEDURES

5.1.1. For non-emergency personnel

Emergency procedures	No specific measures are necessary.
-----------------------------	-------------------------------------

5.1.2. For emergency responders

Protective equipment	No specific measures are necessary.
-----------------------------	-------------------------------------

5.2. ENVIRONMENTAL PRECAUTIONS

No specific measures are necessary.

5.3. METHODS AND MATERIAL FOR CONTAINMENT AND CLEANING UP

Methods for cleaning up	Take up mechanically (sweeping, shovelling) and collect in suitable Container for disposal.
--------------------------------	---

Additional information	Disposal in accordance with local applicable regulations.
-------------------------------	---

SECTION 6.

Handling and storage, including how the chemical may be safely used

6.1. PRECAUTIONS FOR SAFE HANDLING

Precautions for safe handling	No specific measures are required provided the product is handled in accordance with the general rules of occupational hygiene and safety.
--------------------------------------	--

6.2. CONDITIONS FOR SAFE STORAGE, INCLUDING ANY INCOMPATIBILITIES

Storage conditions	Store in a dry place. Store at room temperature.
---------------------------	--

6.3. SPECIFIC INTENDED USE

Instructions for use must be followed.

Product Safety Information Sheet

SECTION 7.

Exposure controls/personal protection

7.1. PERSONAL PROTECTIVE EQUIPMENT

Hand protection	Not required for normal conditions of use.
Eye protection	Not required for normal conditions of use.
Skin and body protection	Not required for normal conditions of use.
Respiratory protection	Not required for normal conditions of use.
Environmental exposure controls	Avoid release to the environment.

SECTION 8.

Physical and chemical properties

8.1. PHYSICAL AND CHEMICAL PROPERTIES

Physical state	Solid.
Appearance	Filter cartridge with granules.
Colour	Grey.
Odour	Odourless.
Explosive properties	Product is not explosive.
Oxidising properties	Non oxidizing.
Solubility	Water: Insoluble.

SECTION 9.

Stability and reactivity

9.1. STABILITY AND REACTIVITY

Reactivity	The product is non-reactive under normal conditions of use, storage and transport.
Chemical stability	Stable under normal conditions.
Possibility of hazardous reactions	No dangerous reactions known.
Hazardous decomposition products	No hazardous decomposition products known.

SECTION 10.

Ecological information

10.1. ECOTOXICITY

Ecology - general

The product is neither considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment.

SECTION 11.

Disposal considerations

11.1. WATER TREATMENT METHODS

Country	Comment
Australia	Disposal must be done according to official regulations. Ensure all national/local regulations are observed. National Environment Protection (Movement of Controlled Waste between States and Territories) Measure 1998; Recycling and Waste Reduction Act 2020. Do not dispose of with domestic waste. Do not discharge into drains or the environment.
New Zeland	Disposal must be done according to official regulations. Ensure all national/local regulations are observed. The Waste Minimisation Act 2008; the Local Government Act 2002; the Resource Management Act 1991. Do not discharge into drains or the environment.
UK	Disposal must be done according to official regulations. European waste catalogue. Do not dispose of with domestic waste. The European waste catalogue will be in place until BREXIT is completely done. Do not discharge into drains or the environment.
EU	20 03 01 – Urban undifferentiated waste.

Product/Packaging disposal recommendations: Recycle or dispose of in compliance with current legislation.

Product Safety Information Sheet

SECTION 12.

Regulatory information

12.1. EU REGULATIONS

Not containing any substances under REACH restrictions (attachment XVII).

Not containing any substances which is listed as a SVHC (Substance of Very High Concern) under REACH regulation.

Not containing any substances mentioned in REACH (attachment XIV).

Not containing any substances subjected to EU n. 649/2012 Regulation
European Parliament and Board dated 4th July 2012 regarding export and import of dangerous chemical substances.

Not containing any substances subjected to EU n. 2019/2021 Regulation
European Parliament dated 20th June 2019 regarding persistent contaminants.

Additional regulations, limitation and legal provisions:

This product is considered for sale, and for this reason, there is no need to be classified and labelled.

Safety data sheet is not requested for this product according to article 31 of REACH regulation.

This Product Safety Information Sheet was created on purpose.

SECTION 13.

Any other relevant information

A safety data sheet is not required for this product. This Product Safety Information Sheet has been created on a voluntary basis.
